

ER 83-6168

DEC 22 1983

MEMORANDUM FOR: Director of Central Intelligence

THROUGH: Deputy Director of Central Intelligence
Executive Director
Deputy Director for Administration

FROM: Robert W. Magee
Director of Personnel

SUBJECT: Impact of the Federal Employees' Retirement
Contribution Temporary Adjustment Act of
1983 on the DCI

1. The subject bill which provided relief on the retirement/Social Security dual withholding issue for newly hired federal employees also affects you and the DDCI and requires an election regarding your total retirement coverage prior to 31 December 1983.

2. While we have resolved the election by the DDCI, your personal circumstances as a Presidential appointee who is a re-employed annuitant required certain legal interpretations involving the Office of Personnel Management, Social Security Administration, and our Office of General Counsel. Because of these extensive discussions, we have just received rulings on how the new bill impacts on you. The attached summarizes the impact of the new law and the options available to you.

3. We recommend that you select option A which would continue your civil service retirement annuity and require you to pay social security and medicare taxes in 1984. This option provides you the maximum flexibility for the future. If you agree with this recommendation, your signature is required in Part B of the attached "Election of Civil Service Retirement Coverage" form under the CONTINUED CIVIL SERVICE RETIREMENT COVERAGE section. You should sign all three copies of the form. I will then provide the Agency certification required in Part D.
